CLERK OF THE COURT
D. Kraemer

IN RE THE MARRIAGE OF
KIMBERLY R NAVARRO

JASON B CASTLE

AND

JOEL D NAVARRO

DREW METCALF

MINUTE ENTRY

This matter comes before the Court on Father's Motion to Continue Trial Date and Mother's Objection to Respondent's Motion to Continue Trial. Father seeks a continuance based on the current deadline for disclosure of expert reports. Specifically, the deadline for disclosing expert reports is before Mother's scheduled interview with Father's expert. Father also suggests that Mother may want to submit a rebuttal expert. Mother objects to a continuance and indicates that she already agreed to an extension for Father to make a late disclosure of his expert report. Good cause appearing,

IT IS ORDERED that the deadline for disclosure of any expert report is January 15, 2014.

IT IS FURTHER ORDERED that the deadline to identify and provide copies of exhibits is January 17, 2014.

IT IS FURTHER ORDERED that the deadline to complete discovery is January 17, 2014.
